Wealth and Showy living

Yes, I avoid excess consumption of wealth and showy living. By showing off, we try to make other people jealous. We not only harm the thinking of people but we also hurt ourselves in many ways.

Question#3

Dividing time

Yes, I have divided my time rightly. But sometimes, I fail to manage this. I run more towards entertainment and ignoring the virtues that I follow.

Question#4

Updated notes of competitor

I avoid keeping updated notes of my competitor's strengths and weaknesses. But to see his perspective of doing anything I sometimes see his strengths so that I can get knowledge of different perspectives.

Question#5

Watchful eye

I have participated in many groups, from school times till university life. Sometimes I kept watchful eye on my colleagues and competitors to see their way of work and how much attention they give to their tasks. I have also dealt with frustrated friends I have noticed that they are frustrated with their work because they are not interested and want to get the result of their expectations.

Question#6

Managers are virtuous

Yes, I ensure that managers are virtuous and are of good family. As it is important for the development of company or organization to hire such virtuous employees and managers.

Question#7

I haven't experienced such situations. But in the future, I am determined to hire such employees and managers who are expert in their subjects, insusceptible and know how to keep secret.

Question#8Consulting wise men

Yes, whenever I am in crucial situations I have consulted from experience and wise men. Yes, I have many advisors. They are my parents and teachers.

Question#9Calculating jumps

No, I don't take blind leaps into the dark. I calculate jumps with required precision and precautions. To some extent, I can \ predict the consequences before doing any task.

Question#10Efficient and useless fools

Yes, I prefer to accept learned and efficient key men even if there is only one as it is better than to have a bunch of useless fools. The task becomes easier for me to perform. We can perform the job with good understanding. No, I don't entrust work to undependable and corrupt assistants.

Question#11Jealously and pettiness

No, I don't practice jealousy and pettiness. If I am concern over lack of relative possession then I practice gratitude for what I have and do work to get that possession.

Question#12Take pains for responsible people
